Tiger Max Braille Embosser

NEW Tiger Max Braille Printer
- Enhanced Speed and Versatility

- Superior, more conventional feeling braille dot
- Sleek, new design
- Convenient USB connection The NEW Tiger Max Braille Printer is still the fastest and most versatile of our Desktop series braille printers, but is now updated to include even more user friendly features. This convenient desktop braille printer handles larger paper sizes, includes software for easy translation and is backed by a one year warranty.

Because it's Powered by Tiger, you can be assured that it's quiet, easy to use, and the quality of braille and tactile graphics is unparalleled.

The Tiger® Software Suite is bundled with the New Tiger Max Braille Printer.
